Grayling Man Assaulted, Robbed

Grayling City Police are investigating an assault and robbery reported at 10:03 p.m. Monday, February 7th.

Carl Johnson, of 408 Park St., reported to City Police that an unidentified subject entered his home and struck him in the head demanding money. An undetermined amount of money was taken in the incident.

Grayling City Police, assisted by the Crawford County Sheriff Deputies and Michigan State Police, are checking several leads at the present time.

City Police request that any Citizen having information or noticing suspicious activity in the area of 408 Park St. during the Monday evening hours please contact the Department with the information. All names will be kept confidential.

COOR Switches To Summer Taxes In Crawford-AuSable District

C.O.O.R. Intermediate School District will be levying all of its 1.05 millage in the summer this year in the Crawford AuSable School District.

In the Gerrish-Higgins School District, covering the southern portion of the county, C.O.O.R. will still levy its taxes only in the winter. Superintendent Harry Groulx said C.O.O.R. can switch to summer taxes only where the local school district also has decided to switch to a summer collection because the intermediate district couldn't afford to pay collection fees by itself on the small millage.

Races For All!

Second Annual "Squirt" Day At Hanson Park Saturday

Hanson Park's second annual "Squirt" day will be held this Saturday, February 12. Headlining the list of activities for the day is a 12 kilometer cross country race which may draw skiers from all across the state. That race will get underway at 11:00 a.m. Other activities planned include a ski meet featuring teams from Grayling High School and three area schools.

Normally high school ski meets are held during the day on weekends and as a result, parents are seldom able to see their students in competition. It is hoped that many parents will take advantage of this opportunity to see their son or daughter race on Saturday.

During the afternoon, there will be individual races for all students grades 1 through 8. There will be medals and ribbons for the winners of all events and plenty of free "Squirt" for everyone.

Sweetheart Arts & Crafts Bazaar February 12th

An Arts & Crafts Bazaar full of Valentine gifts will be held 10 - 5 Saturday, February 12, at the Grayling Mini Mall.

The senior citizen center will have baked goods on sale for Valentine's Day presents and all sorts of personal items such as jewelry will be on sale.

AuSable Sno-Birds Fun Time Auction

The AuSable Sno-Birds will hold a fun auction at their club house on February 12, 1983, starting at 7:00 p.m.

Refreshments and snacks will be there for all. Everyone is invited, so come on up and have a great time for very little money.

The club house is located off 612 west of Frederic, turn right at the sign on top of the big hill.

Services Friday For Harold Long

Harold J. Long, 68 of Grayling passed away on Tuesday, February 8, 1983. Funeral services will be held Friday, February 11, at 1:00 p.m. at Sorenson Funeral Home.

Records Broken at Archery Shoot

Seven Straits Field Archery Association records were set or broken at the January 23, 1983, shoot hosted by Kalkaska. The shoot, held at the Grayling

Grayling Audience To Visit Australia Thursday Night

On Thursday evening, February 10, the Crawford AuSable School District will present the next exciting, full-color adventure of their current Travel and Adventure Series. "Portraits of Australia" will be narrated alive and in person by CBS television personality, Lee Cavanagh in the Joseph Stripe Auditorium beginning at 7:30 p.m. The doors will open at 6:45 and tickets will be available at the door. Prior to the travelogue, the audience will have an opportunity to see production work in progress on the play "On Golden Pond" which is being readied for production by the Grayling High School Players.

Australia is a highly diversified island. Advanced industrially, it is also very rich in specialized agriculture. Australians enjoy both a high standard of living and a rich diversity of scenery. From the modern cities of Sydney, Melbourne and Brisbane to the awesome "outback" region nature has bestowed an unusual variety of wonders on Australia.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 8-12 and 15-16 Feb. 83.

Firing will be performed in the following range area:

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The range will be closed to the public during the period 8-12 and 15-16 Feb. 83 and all persons are warned to stay out of the area identified.

No Increase Expected for County Equalized Values

by Jon Thompson

Tentative county equalized values for 1983 show no increase - the first time in 17 years since the county began keeping records that the values have not increased.

Last year county equalized values increased an average of 8.3 percent. In 1981, the increase was 3.8 percent overall. From 1980 to 1971, the values increased from 8 to 12 percent each year. In 1970, they jumped a whopping 27 percent.

Larry Hunter, Crawford County Equalization Director, said a slowdown of the real estate market, which sets the value of property, caused the halt in the increase of values. He said in the residential class - which makes up about 80 percent of the tax base in the county - the true cash value totals declined one half of one percent in 1983 from 1982 according to the preliminary figures.

The tentative county figures still have to be approved by the county and the state. The equalized values the state adopts (the state has adopted county values for the last 17 years but has the power to add to the values) are used in levying taxes.

The zero percent increase is on the total of county equalized values. Individual equalized values may vary. For many property owners, however, 1983 could be a break from the years of increasing property taxes. Last year the increased values were partially offset by reductions in millages by the city, county, and school district.

Neighbors Help Nab Suspect

Crawford County Sheriff deputies, aided by information from neighbors, tracked a breaking and entering suspect and arrested him Sunday.

Deputies responded to two B & E calls in the County Rd. 612 and Jones Lake Rd. area at 5 p.m. Sunday and neighbors informed the officers the breaking and enterings had to be recent.

Officers followed tracks from the scene and received more help from residents living along the road taken by the suspect. A juvenile suspect was arrested at appoximately 6:50 p.m. and is being petitioned to probate court.

The Crawford County Sheriff Dept. extends their gratitude to the persons who assisted and remind others who see suspicious activity in their neighborhood to call the department. Your assistance makes a difference.

Downhill Canoe Race, Ski Races Highlight 58th Winter Carnival

Cross country and alpine ski races and the amusing downhill canoe race will highlight the 58th annual Winter Sports Carnival at Hanson Hills Feb. 18th and 19th.

The downhill canoe race - with contestants attempting to stay upright in canoes sliding down the face of Hanson Hills — will begin at 1 p.m. Sunday.

The Alpine ski race will start at noon Saturday and the cross country ski race will start at noon Sunday.

A flat ground ski race will be held at 11 a.m. Sunday and a torch-light ski parade will glide down Hanson Hills Saturday night at 10 p.m.

A Klondike canoe race will start Saturday at 3 p.m. from Ray's on the AuSable.

Snow softball, snowshoe golf, sleigh rides, pony rides, ice-skating races, an unusual pentathalon, downhill tube race, and other events will take place at Hanson Hills during the weekend. A complete schedule will be published in the Feb. 17 issue of the Avalanche.

Hanson Hills, which used to attract more than 10,000 persons to the winter carnival with attractions like toboggan runs, giant ice sculptures, and a winter sports queen contest, is now trying to draw more cross country skiers and families. The 285-acre park has 30 miles of cross-country trails that rate with the best in the state. The park also stresses family recreation with a range of activities .

COOR Loss of State Aid Will Hurt Local Schools

A state law proposing cutting off $500,000 in state aid to COOR Intermediate School District in 1983-84 could cost Crawford-AuSable and Gerrish-Higgins school districts $80,000 to $100,000 each.

The state law will close a loophole that allows COOR to collect state aid for special education programs. If COOR loses the $500,000 projected for 1983-84, they'll have to pass their costs for special education on to the local school districts. Both Crawford-AuSable and Gerrish-Higgins could lose $80,000 to $100,000 each.

The special education programs are mandated by the state and can't be cut.

General education in the four-county COOR area would probably have to absorb the loss, something that will be difficult with the poor financial condition most of the six school districts are in. Mio School District is seeking a one-year one-mill increase March 29 just to maintain its present program.

Superintendents Kent Reynolds, of Crawford-AuSable, and Hans Lantzsch, of Gerrish-Higgins, said the added costs passed on the local school districts would hurt general education at all schools. If the law passed, local school districts will be paying $5,581 per pupil for special education students and general education students would be receiving only $1,724 per pupil.

COOR Superintendent Harry Groulx, who went to Lansing last week to lobby against installing the new law, said there's a chance legislators will hold off the law until 1984-85 to study it.

COOR and local school district officials held a special meeting last week in Roscommon to discuss the proposed loss in state aid. A

Drunk Driving, Citations Dropped in '82 in County

Traffic citations dropped 40 percent in 1982 and drunk driving arrests decreased by 28 percent in the county according to a year-end report issued by the sheriff dept.

Total complaints, however, answered by the nine county road officers in 1982 rose to 4711 — close to a 10 percent increase over 1981.

Sheriff Joe White said the drop in citations and drunk driving arrests was a combination of reduced tourist traffic, better educated drivers, and the loss of a federal and state 55 Mile an Hour program.

There weren't as many deer hunters in 1982 and Christmas to New Years holiday traffic was way down, White said citing two examples of reduced tourist traffic which traditionally accounts for a lot of traffic violations and drunk driving arrests.

He also said motorists are driving slower this year all over the state and they are better informed about the dangers of drunk driving.

A loss of 55 Mile an Hour program also contributed to the reduction in citations as two road officers previously working primarily traffic duty were switched over to regular patrolman performing all the general services provided by the sheriff dept.

Larcenies and breaking and enterings also declined slightly in the county during 1982, and White feels the realigning of his patrol division and the work of the sheriff's dept. full-time detective may have helped.

Detective Lt. Charles Haas recovered more than $28,000 in stolen property last year, and out of 77 felonies reported, Haas made 48 arrests and cleared up 12 other cases. Last year's results brings the totals for the two and a half years since the detective

Wins 6 First-Place Medals

GHS Skier Sweeps State, Regional Competition

Karyn Reynolds, a 16-year-old GHS junior, swept six races last weekend at Thunder Mountain against top junior racers from Indiana, all of Michigan's lower peninsula, and the eastern half of the upper peninsula.

Reynolds, enjoying one of her finest weekends in her nine-year racing career, took two downhill races Friday, won the giant slalom and tied for first in the slalom Saturday, and then went on to win both the slalom and giant slalom Sunday. Reynolds raced against 83 junior alpine skiers (18 years and younger) in the competition sponsored by the United States Ski Association.

Before her gold medal weekend, Reynolds made a fine showing in a series of 11 major races in the Central Division of the U.S. Ski Association, whose competition programs are often called a farm system for the U.S. Olympic Ski Team. Reynolds finished in the top ten in eight of the eleven races against top juniors from 11 states. The slalom races at Duluth, Minnesota, where Reynolds finished sixth and eighth were won by a Swedish skier from the University of Wyoming, who currently ranks third among women skiers in Sweden and finished 12th in slalom in the 1980 Olympics.

Reynolds will be skiing in the U.S. Ski Association Central Div. Championships Feb. 22-25 at Boyne Mountain in addition to racing for Grayling High School in conference and regional meets.

From Our Corner ...

It's 3 o'clock Sunday afternoon and we just got back from Traverse City for the weekend and believe us you can have this winter driving, now it wasn't too bad just that you had to drive with all the rest of the crazy motorists who are in a hurry and just can't wait...we followed a plow through part of the Kalkaska hills and believe it or not there were a couple cars ahead of us that still tried to pass the plow...maybe we're just getting old, and things just bother us that much more...anyway we had a nice time with Toni, John, T.J. and Stefany...this was the first we had seen them since Christmas...now if everything works out right, we possibly may be able to go west and visit our Nevada family some time in March...it has been a year since we have seen Dane, Cyd and Amber...

★ ★ ★

This week's turkey is a bummer to get going on...seems like any time we go away for a weekend it is hard to get back in the groove of things...guess we're just programmed for doing certain things at certain times, and can't get out of the rut...besides the weather doesn't help matters...we have had a mild winter so far, but winter is winter and at our age about two weeks of the white stuff is long enough for us...

★ ★ ★

Good old professional football had its finale Sunday with the National League lucking out with a 20-19 win...and would you believe there was no golf on...that is that our bride knew about so we got to watch practically the whole game and would have lost our shirt had we been betting on the outcome... we mentioned that football was all over for the year, we forgot...there is a new Professional Football League starting up and if we're right they start play in March and play through the summer months... now if this doesn't cause some divorces throughout the land, nothing will...we don't know too much about the new league, but understand the owners have got the bucks, and that is the name of the game...

★ ★ ★

We still haven't got the bugs out of this new typewriter and it still doesn't help out on my spelling...we still have to have Bobbie check that out...we even ran into Mr. Lerg last week and he remarked about our having a typewriter that couldn't spell, seems as though his does...but then, we can't have everything...

★ ★ ★

With all the unemployment, people getting food from the government, the economic climate that still persists in the State of Michigan, we were sort of taken by surprise when we read the following article in the Bay City Times' February 1st issue, so we felt we would pass it along in case some of our readers happened to miss it, or didn't hear about it... and Lansing is recommending an increase in the state's income tax to be put in effect forever?

State officials to get pay hikes

LANSING — Top elected state officials will get a pay raise in January, 1984. Both the Senate and the House have adjourned until Wednesday — Feb. 2. That means the pay hikes will go into effect without a legislative vote, unless there is some move to change the rejection deadline of today. Under a pay-panel's recommendations, Gov. James J. Blanchard will have his pay raised from $70,000 to $78,000 in 1984, Lt. Gov. Martha W. Griffith's pay will increase from $50,000 to $53,500, pay for supreme court justices will increase from $69,000 to $74,000 and legislators' pay will jump from $31,000 to $33,200.

and hundreds of people are going hungry...

★ ★ ★

We're going to give Rena a little break this week, and call a halt to this turkey...she's always saying we're too windy...so, goodnight, T.J., Stefany and Amber, and to all of our readers...have a nice weekend, and if you have a chance take in the Queen's Pageant Saturday night...

We'll Help. Will You?

Friday night, Grayling's green-clad warriors eked out a 20-18 decision over a formidable Mancelona quintet to improve their standing in the Northern "C" Conference. The victory also brought them one notch nearer a .500 percentage mark which is their goal for the season.

Frank Bond had a party. Yes sir, he did! You know Frank is going to Ann Arbor this coming week for a few months. Going back to acquire some more knowledge and so a few celebrities gave him a party and would you believe it, when we knocked on the door, and got ready to holler surprise, do you know what he did? Went to the basement and came back with the shotgun.

Jack Van Coevering, wildlife editor for the Detroit Free Press, was in town Monday getting reports on wild game conditions near Grayling.

The mercury fell to 4 degrees below zero during Monday night for the only real cold night in the past week. This morning the thermometer registered 12 above.

The Bible Speaks

From Calvary Baptist Church

The Popular Way To Hell

Self righteousness or good works is the vain hope of millions of people both religious and non-religious as they approach death and face God. Even religious leaders will say: "Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works?" Listen to the reply of Jesus: "And then will I profess unto them, I NEVER KNEW YOU: depart from me, ye that work iniquity." Matt 7:22, 23.

Hear God's warning now from the Bible before He must cast you into the eternal flames of a burning Hell: "I have seen all the works that are done under the sun; and, behold, all is vanity and vexation of spirit." Eccl. 1:14. "But we are all as an unclean thing, and all our righteousnesses are as filthy rags; and we all do fade as a leaf; and our iniquities, like the wind, have taken us away." Isa 64:6. "For there is not a just man upon earth, that doeth good, and sinneth not." Eccl. 7:20. "For all have sinned, and come short of the glory of God." Rom 3:23.

"Therefore by the deeds of the law there shall no flesh be justified in his sight: for by the law is the knowledge of sin." Romans 3:20. "But the scripture hath concluded all under sin, that the promise by faith of Jesus Christ might be given to them that believe." Gal 3:22. "But that no man is justified by the law in the sight of God, it is evident: for, The just shall live by faith." Gal 3:11. "Knowing that a man is not justified by the works of the law, but by the faith of Jesus Christ, even we have believed in Jesus Christ, that we might be justified by the faith of Christ, and not by the works of the law: for by the works of the law shall no flesh be justified." Gal 2:16.

"Therefore we conclude that a man is justified by faith without the deeds of the law." Rom 3:28. "But to him that worketh not, but believeth on him that justifieth the ungodly, his faith is counted for righteousness." Rom 4:5 "I do not frustrate the grace of God: for if righteousness come by the law, then Christ is dead in vain." Gal 2:21. "FOR BY GRACE ARE YE SAVED THROUGH FAITH: and that not of yourselves: it is the gift of God: NOT OF WORKS, lest any man should boast." Eph 2:8, 9.

My friend you can trust your own godliness or goodness and go to Hell, or you can trust alone in the death, burial and resurrection of Jesus Christ for your sins and go to Heaven. You cannot trust both and be saved. "If by grace, then is it no more of works: otherwise grace is no more grace. But if it be of works, then is it no more grace: otherwise work is no more work." Rom 11:6. (adv.)

Vikes Lose 52-46 With Poor Shooting

HIGH SCORER—Paul Hamlin hit a jumper in the middle on way to leading the Vikings with 14 points against Cheboygan.

Grayling failed to connect on a field goal in the fourth quarter Friday losing a slim lead and the game 52-46 to Cheboygan.

Ryan Morford hit five free throws and Paul Hamlin added one to account for all of Grayling's scoring in the final period. Cheboygan tossed in 14 points to overcome a two-point deficit entering the final stanza.

Paul Hamlin led Grayling with 14 points hitting two buckets off offensive rebounds and two free throws in the second quarter when Grayling went ahead 25-22.

Ryan Morford scored 11, seven points coming on free throws after the senior guard was fouled driving to the basket.

Mike Hickey scored 8. Jim Stewart 5, Bob Keene 4, Brad Emerick 2, and Wayne Ross 2.

Grayling started off slow again going scoreless for almost five minutes midway in the first period. Stewart hit the first point of the game from the line, Hamlin hit a jump shot, and then the Vikings went into their deep freeze offense missing 11 shots in a row, turning the ball over once, and getting called for three-seconds twice.

Stewart ended the drought at 2:18 left in the first period with a jumper, Morford added four, Emerick put in short shot under the bucket, and Ross canned a 15-foot shot after coming up with a defensive block. The Chiefs tied the game 13-13 with a long shot at the buzzer.

Hamlin put in six in the second quarter when Grayling got untracked, Keene hit two from the side, Ross blocked another shot, and Hickey and Stewart each hit a lay-up off fast breaks to put the green and white up 25-22.

Hamlin added five more in the third quarter as both clubs played better basketball. Ross blocked another shot, Hickey put in six points, and Morford connected for two. Mike Goggin for the Chiefs began to take control of his team's offense hitting two long outside shots. A teammate hit a long baseline shot to pull Cheboygan within two at the end of three quarters.

With a lid on Grayling's basket, Cheboygan eventually pulled ahead 49-45 and started stalling with 2:20 left. Morford hit a free throw to bring Grayling within two with 41 seconds left but Cheboygan's Goggin hit a one and one to give them a four point lead with 26 seconds left. Grayling missed on their trip down the floor and lost their fourth in a row. Goggin finished with 12 points to lead Cheboygan. Grayling dropped to 4-9 overall and 3-6 in the league.

The Grayling J.V.'s lost 71-65.

In the Boyne City game the week before scoring for Grayling was led by Jim Stewart with 21 points. Wayne Ross and Bob Keene hit 11 each to also make double figures. Hamlin hit for 6, Ken Lademan 5, Dave Zigila 5, Hickey 4, and Jon Nicholas 2.

East Jordan Takes Two from Grayling

East Jordan, behind the serving and spiking of a 6'1" player, took two matches from Grayling last week in volleyball action.

Melissa McEvers, for Grayling, kept the Vikings in the matches with 18/19 serving and Jenny Riker and Tammy Savallisch set well but the green and white fell 15-5, 15-6 in the first match and 5-15, 15-2, and 15-10 in the second match.

East Jordan had a good setter to complement the 6'1" spiker and head coach Becky Brown said Grayling didn't block well enough.

Kathy Worden and Wendy Savallisch also had good serving nights for Grayling who fell to 6-3 overall but remained undefeated in league play. They played Mancelona Monday and tangle with Charlevoix Feb. 9 in the their next league action.

The J.V. team also dropped their match with East Jordan but almost pulled out the win near the end. They won the first game 15-10, lost the second 8-15, and were tied 14-4 before losing 14-16. Beth Bedard served 21/21 in the match.

Creative Arts Magazine

The second issue of CHIMERA, the creative arts magazine, is now available. This second issue is a special winter horror issue featuring tales of the bizarre and supernatural. New to this issue is the staff feature article spotlighting, in this issue, a review on the 1960's fame gothic horror soap opera, "Dark Shadows" and a look at its recent nationwide revival. This review will re-examine the major plotlines of the series' five year run and take a look at those fan organizations who have kept the Collins family saga going.

Also new to the magazine is the Art Gallery featuring pen and ink renderings by various artists, also on a supernatural theme. As usual, CHIMERA's two adventure strips, "To Kill a Chimera" and "The Heroes Club" continue their exciting tales. Plus, this issue contains more excellent poetry and fiction. Our major exception to the horror theme is an article by published Michigan author, Johanna Leuschner Wyland, for those "Dreaming of Success?"

CHIMERA is priced at $1.50 per issue. CHIMERA No. 2 is available to local residents at John's Hallmark in the Mini-Mall in Grayling.

CHIMERA is published by the Literary and Moviemaking Club, a non-profit organization. For more information contact: K. J. Kolka, Route 2, Box 2772, Grayling, Michigan 49738.

Official Notice To The Citizens of the County of Crawford of Public Hearing to consider approval of an amended Project Plan and the issuance of the bonds proposed therein as submitted to the County Board of Commissioners of the County of Crawford by The Economic Development Corporation of the County of Crawford for Grayling Health Care Center Project

PLEASE TAKE NOTICE that pursuant to Act 338 of the Public Acts of Michigan of 1974, as amended, The Economic Development Corporation of the County of Crawford has submitted an amendment to the project plan previously approved to the County Board of Commissioners for its approval.

Said project plan deals with a health care facility project to be owned and used by Grayling Health Care Center, a Michigan co-partnership, of which Otto Mark Tarvainen and Esa Tarvainen are the principals, and to be located on a project area or site consisting of approximately five acres immediately south west of the Penn Central Railroad (now Conrail) lines and west of I-75 and approximately 500 feet east of the I-75 business loop in Grayling.

Said project plan details all information required by law relative to said project and its impact on the community. No persons will be displaced from the project area as a result of this project. Said project plan also proposes the issuance of revenue bonds by said Economic Development Corporation to assist in the financing of said project.

The Board of Commissioners will meet at 9:30 o'clock A.M., Thursday, the 24th day of February, 1983, at the County Court House located at 200 Michigan Avenue, Grayling, Michigan, and will conduct a public hearing. The hearing will be held from 2:00 p.m. to 3:00 p.m.

The public hearing shall consider the advisability of the Board of Commissioners approving by resolution (1) an amendment to the project plan which would substitute the Grayling Health Care Center, a Michigan Co-partnership whose partners are the original applicants for the original applicants and (2) the issuance of bonds as proposed therein.

THIS NOTICE is given pursuant to the requirements of Sections 10 and 17 of Act 338, Public Acts of Michigan, 1974, as amended. The project plan and relevant maps or plats are available for inspection at the County Clerk's office.

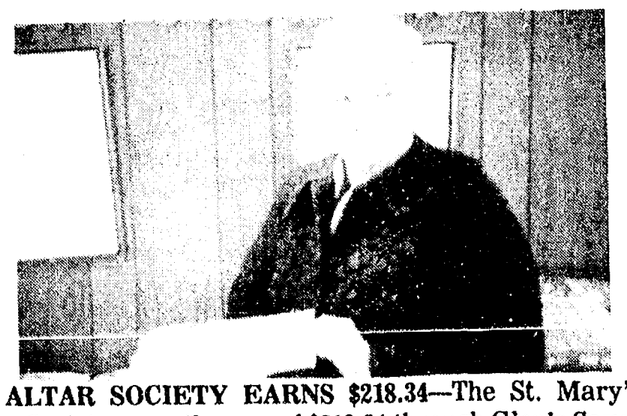

All interested citizens are encouraged and will be offered an opportunity at said hearing to address the County Board of Commissioners concerning said project, said project plan, and the bonds proposed to be issued.

Elizabeth Wieland, County Clerk

Five Grayling wrestlers captured gold medals at the Huron Shores Conference but the Vikings wound up in third place behind Petoskey and Gaylord.

Dan Meldrum, at 126 lbs., Ron Wyman, 132 lbs., Steve Sauve 138, John Solomonson 167, and Tom Sorenson, at 198, all took first as they tried to defend the title Grayling earned last year.

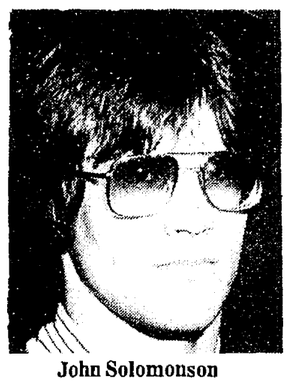

Chris Krajenka, at 112 lbs., and Jim Piper, at 145 lbs., took second place for Grayling. Tim Moore, at 98 lbs., took a third, and Lacey Stephan, at 105 lbs., took fourth.

But Petoskey and Gaylord, class B schools compared to Grayling in class C, used their depth to earn more points with more wrestlers advancing at each round. Both schools also racked up a lot of points by pinning early round opponents.

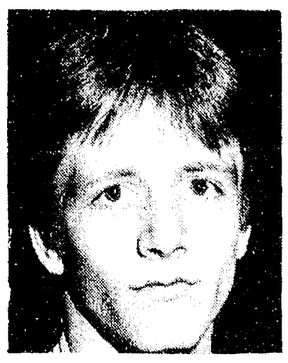

Sauve kept his undefeated streak alive at 35-0.

Petoskey finished with 176½ points, Gaylord 172, and Grayling 156.

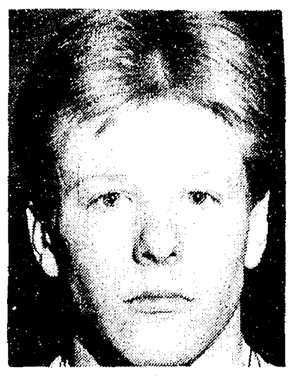

The Vikings will tune up for district action with a match against Oscoda and Bay City John Glenn, a class A school. In the districts the Vikings will try to match last year's success when they won district honors. Grayling went on to win regional action and placed third in the state.

In case you haven't noticed, the Snow Buntings are back with us after a summer's absence. Since they nest in Northern Alaska and Greenland, they have had quite a journey to reach our open fields where they feed on various weed seeds or cracked corn put out by bird watchers. If the eagles are not back yet, they soon will be as the courtship rituals are about to begin. At least one of the eagles which nests here has been doing so since 1952. The nest presently in use has been used for the last six or seven years. Each year the nesting pair add to the nest a few more sticks and branches. One nest in Ohio was made bigger each year for many years until it was twenty feet from top to bottom and nearly ten feet wide. Our nest isn't even near so large, but over the years the eagles have been quite successful in rearing one or two young which hatch about five weeks after being laid. Both adults share in hatching the eggs, feeding the young, and serving as flight instructors.

While we may be in midwinter according to the calendar, we are now on the threshold of the Eagles' spring.

New Taxes, Budget Cuts Outlined by Blanchard

Warren M. Hoyt, Executive Director, MPA

Governor James Blanchard wasted no time in his first State of the State message to the Legislature and outlined a program to erase a current budget deficit of some $900 million and provide long-term revenues with a proposal for new taxes and $225 million in budget cuts.

A 38 percent income tax increase-including a temporary "debt"/surcharge - coupled with a $225 million budget cut is the governor's blue print for solvency.

Blanchard, who once said a tax hike would be a last resort, said he saw no other choice and called for quick legislative action.

"We must act and act decisively now, to rescue Michigan from the precipice of bankruptcy and bring her back and onto solid ground of financial responsibility," he said.

Blanchard's tax proposal would set the personal income tax rate at 6.35 percent, up from the current 4.6 percent, retroactive to January 1.

Of the total 1.75 percent increase, only .25 percent would be temporary.

That amount will be designated to retire the accumulated $800 million accounting-cash flow deficit and put the state back in accordance with accepted accounting methods.

The state is already allocating about $100 million a year from a cigarette tax increase to the cash problem.

The new income tax surcharge would provide about $112.5 million over the rest of this year and $150 million over a full year.

The permanent income tax increase of 1.5 percent (a 32.6 percent hike) would produce an estimated $675 million for the remainder of the current fiscal year ending September 30. The higher rate would produce an additional $900 over a full fiscal year.

On budget cuts, the Dept. of Social Services would take general fund cuts of $60 million of the total $225 million. The governor also calls for the Dept. of Mental Health to take cuts of $18 million and for K-12 school aid and colleges and universities to each take a $25 million cut.

Other recommended cuts include $50 million from other departments, $5 million from payments to private schools, $15 million in revenue sharing to local governments and the entire $25 million general fund appropriations for building projects.

Aides to the governor said the outline of recommended cuts was not meant as a full-fledged preview of the executive order - which is not expected for at least two weeks - but rather a general initial position of the governor in negotiating the form of the final cuts.

For that reason, many of the specifics are still lacking, including how $50 million would be divided among the 17 departments other than social services and mental health.

The proposed cuts would not affect each program equally. The cut proposed for Social Services, for example, represents 3.6 percent of its general fund budget, while the cuts in K-12 school aid represents 8.6 percent of its general fund budget and a $2 million cut for community colleges represents a 1.5 percent cut in the general fund budget.

Additionally, the governor identified 30 programs and boards he will recommend be eliminated to save a total of $4.5 million.

LARGE ICE RINK—Camp Shawono work crews spray the ice rink at Hanson Hills preparing a rink larger than an indoor hockey rink for the winter sports carnival weekend. Large numbers of skaters have been using the rink already this year but ice conditions have changed rapidly with weather conditions.

1 Million Milestone Reached With Glen's Save-Share Program

It was announced this week by C. Glen Catt, President of Glen's Markets and Family Centers, that Glen's SAVE-SHARE Program had topped the ONE MILLION DOLLAR amount that it has shared with community groups and organizations throughout Northern Michigan.

Glen's SAVE-SHARE, a program started in 1972, was set-up to enable community organizations and groups a means to earn money for projects that would help improve the communities in which we live.

The program has grown steadily since it's conception in 1972.

Last year two hundred and fourteen groups and organizations shared a minimum Two Hundred and Fifty Dollars each by saving Glen's green register slips. Other organizations and groups, numbering in the hundreds, accumulated smaller amounts resulting in One Hundred and Eighty-Seven Thousand, Fifty Eight and 22/100 Dollars saved programwide.

Mr. Catt also stated that further details about Glen's SAVE-SHARE Program can be obtained by conducting any of the twelve Glen's Markets Store Managers.

Kirtland To Hold Auditions

The Kirtland Players will be holding auditions on Tuesday and Wednesday, Feb. 15th and 16th, from 7 - 9 p.m. in the Kirtland Auditorium for Michael Christofer's "The Shadow Box." There are roles for four women (one over 55), three men, one boy or early adolescent male, and one other role that can be played by a male or female. Scripts are available for preview reading. The performance will be April 8-10th. For further information, call Bob Amsden at 275-5121, ext. 275.

Child Find

Growing up in todays world can be very difficult. It can be especially hard if an individual has some type of physical, emotional or mental handicapping condition. It is the purpose of the C.O.O.R. Child Find Program to locate these individuals and to provide Special Education Programs and Services that may be needed.

As part of Michigan Project Find, the C.O.O.R. program is responsible for locating handicapped individuals from birth to 26 years who reside in Oscoda, Ogemaw, Crawford or Roscommon Counties. To locate these individuals, the intermediate school district works closely with other area agencies, such as community mental health services, social services and the health departments. Many referrals are also received from local physicians.

Once a referral has been received, the Child Find Coordinator begins to gather information necessary to determine if the person is eligible for special services. Conditions which could interfere with educational performance could include: physical impairments, difficulty with speech, hearing or vision, severe emotional difficulties, mental impairments or learning disabilities. If an individual is found to have a problem in one or more of these areas they then may begin in an appropriate program offered through the intermediate school district.

If you know of any individual between birth and 26 years of age who you suspect of having any of the handicaps listed above or some other problem which may interfere with their educational development, please contact the C.O.O.R. Child Find Coordinator at your intermediate school district office (phone: 275-5137).

Teen Pregnancy

Although births to North Carolina teenagers have declined, the teenage pregnancy rate remains high. Among girls 15 to 19 years old, 96 of every 1,000 had a legal abortion, still birth or live birth during 1980. Altogether, 25,429 teenage pregnancies were reported; 38 percent ended in abortions.

Notice of Budget Hearing Federal Revenue Sharing

A public hearing will be held by the Crawford County Board of Commissioners on Tuesday, February 24, 1983 from 2:30 p.m. until 3:30 p.m. for the purpose of accepting oral and written comments regarding the adoption of a General Revenue Sharing Budget.

The use of Revenue Sharing Funds for Entitlement Period 14 as approved pursuant to the Proposed Use Budget Hearing will be present for final adoption.

The proposed Revenue Sharing Budget is as follows:

Receipts:

Revenue Sharing $165,216.00

Expenditures:

County General Fund

(public safety category $165,216.00

A summary of the proposed uses of Revenue Sharing Funds and a summary of the 1983 Crawford County Budget are available for public inspection during normal business hours at the office of the Crawford County Treasurer.

RSVP Reports

Sherry Haag, Dir.

Welcome to news of the Retired Senior Volunteer Program. What is RSVP? RSVP is a community sponsored program for persons 60 years of age or older who wish to remain an active participant in their community. Volunteers serve at various non-profit agencies and organizations. As more budget cuts are made in social agencies and programs, more volunteers are needed to pick up the slack.

At present, in Crawford County, RSVP has over 200 registered senior volunteers who serve at 46 stations. Time involved varies. Some volunteers wish to serve 100 or more hours per month. Others serve 3. (All volunteers are required to serve at least 3 hours per month to stay on the active rolls. However, if inactive for one month or several, all it takes is 3 hours of service and you become active again.) Volunteers serve all over the county in all types of activities. The schools provide many opportunities for volunteer activity. Library aids, tutors and remedial reading helpers are just a few positions available. Members of the Hospital Auxiliary also are RSVP volunteers. Auxillians and others man the visitor's desk, deliver mail, sit with patients and many other activities. Volunteers also drive patients to doctors in town and to Traverse City or Petoskey as needed. Volunteers provide many services to the Senior Citizen Center. Telephone Reassurance & Friendly Visitors, help with Blood Pressure, Arts & Crafts and other activities as needed. Many other agencies throughout the county use RSVP volunteers including 4-H office, Chamber of Commerce, Mental Health Services, Red Cross to name a few.

We're proud of all our volunteers whether they serve 3 hours or 100 hours. They all provide a valuable contribution to their community. Their time, their caring and their knowledge and talents. If you know someone who would be interested in becoming a member of RSVP or if you'd like more information, please give the office a call at 348-4341 or 348-8322.

CARD OF THANKS

We would like to thank all of our friends, neighbors & relatives for their care & kindness at the recent passing of our beloved mother & grandmother. Also a special thank you to Dr. Dan Lathrop & the staff at the Osteopathic Hospital in Traverse City and Dr. Donald Burkley & staff at Grayling. Special thanks also to the Sorenson Funeral Home for their kind help.

Completes Navy Training

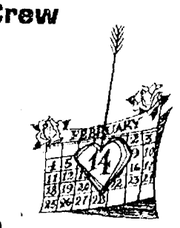

Navy Seaman Recruit John H. Howe III, son of Nancy and John Howe Jr. of Grayling, has completed recruit training at the Naval Training Center, Great Lakes, Ill.

During the eight-week training cycle, trainees studied general military subjects designed to prepare them for further academic and on-the-job training in one of the Navy's 85 basic occupational fields.

Included in their studies were seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

Dear Community of Grayling:

The Grayling Rotary Club recently put on its 7th Annual Minstrel Show. A book was published with several advertisements showing several businesses throughout the Community that support the Minstrel Show. I would like to point out one serious error that was found in the book. This regards the inclusion of an advertisement with my name. The nature of the cartoon need not be dealt with except to say that its lack of taste is obvious. I would like to make it very clear that I was never contacted about this advertisement, and that it was placed in the book without my permission.

I have spoken with both Norm Lesinski and Gary McLaughlin about this matter and feel that it is best at this time to clear the air.

On the negative side several things need to be understood:

1. I do not support the Rotary Club.
2. I do not support the Minstrel Show.
3. I do not support any organization, association, business, religion, or any other function that does not endeavor to bring honor and glory to the Lord Jesus Christ, and that does not endeavor to live by the principles of His inerrant, infallible, and perfect Word.

"Whether, therefore, ye eat, or drink, or whatever ye do, do all to the glory of God. (I Corinthians 10:31)

Now we can consider the positive side. I do support any organization, association, business, religion, or any other function that does endeavor to bring honor and glory to the Lord Jesus Christ, and that does endeavor to live by the principles of His Word.

Judging by past Minstrel shows, I see very little evidence of the Lord Jesus Christ or His Word being honored and glorified. I have no reason to think that this year's show is any different.

If Christians or professing Christians choose to attend such functions, that is between them and the Lord, but please remember Romans 14:12-"So, then, every one of us shall give account of himself to God."

I also appeal to the truth in Joshua 24:15 - "And if it seem evil unto you to serve the Lord, choose you this day whom ye will serve, whether the gods which your fathers served that were on the other side of the river, or the gods of the Amorites, in whose land ye dwell; but as for me and my house, we will serve the Lord."

In the future, I would greatly appreciate being contacted before my name is borrowed as support for future, similar activities.

Sincerely,
C. Michael Langdon, M.D.

Shrove Tuesday Pancake Supper February 15th

It was the tradition, during the season of Lent in Merry Olde England, to deny oneself of any rich or sweet foods (a very great sacrifice for some, even today). In order to rid the mannor house of all such delicacies, a great feast was prepared on Shrove Tuesday, the day before Ash Wednesday, which is the official first day of Lent. Rich cakes were made, adding all the sugar and other seasonings which could be found in the house which were of a rich nature. The cakes could be likened to our pancakes of today.

In keeping with this tradition, the Parish of Saint Francis' Episcopal Church wishes to invite you to participate in our own celebration of Shrove Tuesday. It has become a tradition for our church to have a Shrove Tuesday Pancake Supper, and this years' feast will be held on Tuesday, February 15th from 5:00 p.m. to 7:30 p.m. Donations will be $2.50 for adults, 1.50 for children under 12 and children under 5 may eat for free.

The church is located on M-72 West, and coming from its doors on that evening will be the tantalizing smells of plain and blueberry pancakes, potato pancakes with or without sour cream, smoked sausage and applesauce. You may have all the pancakes you can eat, so come and celebrate with us!

Notice to Men

There will be men's basketball night on Thursday, February 10th at 7 p.m. at the middle school gym - cost $2.50.

Chamber Chatter

By Joyce Kolka

Last week the Crawford County Avalanche was kind enough to run the first of our articles on activities of the Grayling Regional Chamber of Commerce. Reactions from the chamber members and general public have been overwhelming. It convinces us that there is a demand for regular discussion of things that are currently happening in chamber planning.

One item that may help our readers who might have the winter "blaahs" is to mention that a Mud Wrestling contest is being discussed for next summer. While it is not a sport in which everyone would want to participate, it is one which many will want to watch. More about the matchup of the year in mud wallowing at a later date.

Believe it or not, Grayling and Crawford County, one of the finest trout fishing spots in the nation, has no major trout fishing contest. By major contest we mean of course one that receives heavy downstate publicity and a wide variety of prizes.

That contest will become a reality on April 30 — May 1 and as a matter of fact current plans also call for an extended contest to last through the good brown trout angling in June. Our member WQON Radio in Grayling has offered to co-sponsor the affair with the chamber and assist in making the contest a regular feature in the attempt to promote the area. Again more on this when more details are available.

While on the subject of radio stations, WKNX in Saginaw has invited the chamber to exhibit in their four day 2nd Annual Fishing and Camping Show. The affair will be held at the Fashion Square Mall and we will be showing off our new portable exhibit.

And speaking of the exhibit, if our readers have not seen the new display constructed as a result of a Private Industry Council grant, it is viewable currently at Northern National Bank. It will eventually be at each of our local financial institutions.

Another type of display which is older but still drawing a lot of attention is the float which appears at many parades throughout the year. Trophies attesting to its popularity in many community events are on display at the chamber office in the City Building.

The latest testimony to its attention getting capability is a pair of Tip-Up Town awards. Mr. and Mrs. John Scheer, Scheer Motors and Curt Jansen, Jansen Plumbing and Heating drove the vehicle which towed the float with Miss Grayling, Donelle Bentley "on board". The group came back with two trophies, the 1st place in the Queens Choice and 1st place in beauty.

Also in our column this week, is a gem of an idea which will bear watching. A "Think Spring" drawing of a beautiful canoe. Not in June or July but right now.

Our newly appointed Public Relations Director, Don Geiss, is actively working with our local news media as well as downstate and out of state media to promote Crawford County. We shall be recognized!

All of the activities being planned are the work of a hard working Board of Directors. If you pass them on the street, or in their place of business, pat them on the back for a job well done. The members include: President, Ernest Dawson, Flowers by Josie; 1st Vice President, Joe Wakeley, Jolly Redskin Canoe Livery; 2nd Vice President, Sherry Hanson, United Federal Savings; Sec./Treas., John Alef II, Grayling State Bank; Past President Dean Molnar, McDonalds; Fred Armstrong, Glen's Market; Judy Gibbons, Weaver's Gifts; Col. Ivan Gwilt, Camp Grayling; Curt Jansen, Jansen Sales & Service; Norma Naour, Cornell Realty; Dan Priestap, Dan & Maggies; Ralph Stevens, Carlisle Paddle Company.

Volunteer Fun Day Planned For April

Tuesday, February 15th, at 7:30 p.m. final plans will be made for the Volunteer Fun Day scheduled for April 23, 1983. At this time, organizations and agencies will be able to reserve their space and notify the committee of their plans for the event. Registration fees of $10.00 per space will be accepted at that time. Reservations will be accepted as long as there are spaces available.

Ideas for entertainment to appear on stage throughout the day are also needed. Let us know what you would like to see appearing.

The Fun Day is being held during National Volunteer Month to help the community become aware of all the different volunteer organizations which serve the community and as a fundraiser for these groups as well as a fun day for the family.

Plan to attend this special event with your family. For more information call Marion Stecker at 348-2342 or the Sibs for Kids office at 348-2841, ext. 262.

Special Lenten Program Set

The AuSable Ministerial Association is planning a special Lenten program for six Thursday noon hours during the Lenten season. This ecumenical program is designed to combine scripture, prayer, and a spiritual sharing by a lay person from the six local churches represented.

Each session will be held in the St. Mary's Family Center from 12 to 1 p.m. Persons attending are invited to bring a sack lunch. Coffee will be provided.

The schedule for this program is as follows: Feb. 17th: Host: St. Mary's; Feb. 24th: Host: St. Francis Episcopal; March 3rd: Host: Grayling Free Methodist; March 10th: Host: Michelson Memorial United Methodist; March 17th: Host: Grayling Assembly of God, and March 24th: Host: St. John Lutheran.

The public is cordially invited.

Senior Citizens Special Events

February 14th — We have a special dinner for Valentine's Day. Every lady who brings a senior citizens man (over 60) who has not eaten here before for the 5:00 p.m. dinner will get her dinner and his "free" that evening. Every man who brings a lady who has never eaten here will get both of them as a "courtesy". Remember everyone must be at least 60 yrs. old, and your guests have not eaten here before. This is a good chance for you newcomers to come and get acquainted with us. Bring your Sweetheart or friend and join in the fun.

February 16th — Dr. Walters will be back with us to present a program on Diabetes - both hypoglycemia and hyperglycemia sugar problems. There is no charge for the program and you will learn how to handle your sugar problems as well as those of your loved ones. We really appreciate Dr. Walters giving of his time to talk to us.

February 22nd — 1:00 p.m. Special craft and fun time for all the handicapped to be held at the Center. No charge to those with a handicap.

For more information, please call 348-9314, or stop by the Center at 308 Lawndale in Grayling.

A NEW FOOD—On Friday, January 28, Mrs. Jurkovich came to Mrs. Bovee's classroom to make croquettes, a food from the Netherlands. Mrs. Jurkovich told us about shops who sell croquettes and the name of the store was Friiture. The croquettes were delicious in my opinion. The reason we had Mrs. Jurkovich come was in social studies we are studying the different foods and cultures other people brought to America. The two girls in the picture watching Mrs. Jurkovich are Teresa Ferguson and Heather Willoughby. By Susan Nelson, 5th grade.

FOURTH GRADE SPELLDOWN—The fourth grade had another spelldown. Four students from each class competed in it. Parents were invited. Mr. Hayes gave the words. After a while we had a winner. Ian Doten from Mr. Hatfield's room was the winner. Congratulations, Ian! Pictured are the runner-ups with Ian Doten, the winner, 3rd person from the left in the front row. Written by Paula Nunn and Heather Willoughby, 5th grade.

City Council Proceedings

Regular meeting of the City Council held January 31, 1983.

The meeting was called to order by Mayor Thompson at 7:30 p.m.

Members present: Thompson, Golnick, Sloan, Sabin.

Members absent: Latuszek*.

Also in attendance: Jerry W. Morford, City Manager; Allen V. Schreiner, City Treasurer; A.D. Sorenson, Don Geiss, WQON; Gerry Johnson.

Motion by Sabin, supported by Golnick that the minutes of the meeting of January 10, 1983 be approved as presented. Ayes: 4, Nays: 0, Absent: 1, motion carried.

Citizens who wish to speak.

Don Geiss appeared to present Mayor Thompson with a picture of the Mayor presenting two canoe paddles to retiring General Johnston.

Communications were received and noted.

From M.M.L. re: Legislative Bulletin.

From Grayling Housing Commission re: Meeting Minutes.

From Grayling Beautification Committee re: Meeting Minutes.

From City Manager re: Tentative Budget Schedule. Mr. Golnick requested a Budget Study Session for April 18, 1983. This would be the only item on the agenda.

Old Business. There was no Old Business.

New Business.

The City Manager presented a request from the Crawford AuSable School District for summer collection of ½ of their school taxes. For City residents this would make the July tax bill about equal to the December bill. Mr. Morford and Mr. Schreiner felt that this would not impose any particular hardship on the City since we are collecting taxes at that time anyway and there would be no significant increase in costs. He also presented a request from COOR Intermediate School for 100% of their tax to be collected in July.

*Ms. Latuszek was now present.

Motion by Sloan, supported by Sabin that the City Treasurer by authorized to enter into contract with Crawford AuSable School District and COOR Intermediate School for summer collection of part or all of their 1983 taxes. Ayes: 5, Nays: 0, Absent: 0, Motion carried.

Mr. Morford discussed the office space needs of the City and various of our tenants. A request for additional space has been received from both Grayling Township and the Michigan State Police for approximately 1300 sq. ft. of office space (Township, approximately 900 sq. ft. and State Police, 400 sq. ft.). He noted several alternatives which were discussed. Council took no official action.

Ms. Latuszek asked about an appointment to the Housing Commission. Mr. Sabin suggested Mr. Ralph Stevens.

Motion by Sabin, supported by Golnick that Mr. Ralph Stevens be approached to serve on the Grayling Housing Commission. Ayes: 5, Nays: 0, Absent: 0, motion carried.

The City Manager presented a request for a new SDM License for the Imperial Gas Station. No action is required by the City Council. Mr. Sabin asked to go on record as being opposed to having a licensed liquor establishment which also sells gasoline at the same location.

Motion by Golnick, supported by Sloan that the Michigan Liquor Commission be informed that the Council opposes a SDM License being located at the Imperial Gas Station. Ayes: 5, Nays: 0, Absent: 0, motion carried.

Reports of Councilmen.

Mr. Sloan asked about the need for Stop signs at various locations on the recently completed streets. Mr. Morford will have Police Chief Stephan review the situation and recommend action by the next meeting.

Reports of City Manager. Mr. Morford reported on the following:

Engineering charges by M.D.O.T.

Progress on Police Department re-modeling.

Finance Report.

Workmen's Compensation Hearing.

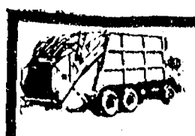

Motion by Golnick, supported by Thompson that Council enter Executive Session to discuss a policy matter at 9:00 p.m. Ayes: Sloan, Latuszek, Thompson, Golnick, Sabin. Nays: 0, Absent: 0, motion carried.

Council entered Executive Session at 9:05 p.m. Council re-entered the Regular Meeting at 10:10 p.m.

Adjournment.

Motion by Sloan, supported by Thompson that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 10:10 p.m.

PINES IN WINTER

Among the many kinds of trees in existence, very few retain their foliage during the cold winter months. Only a few withstand the driving winds and storms and still maintain beautiful green branches.

The graceful scene below shows a remarkable characteristic in the pine tree. Some miraculous element within the pine enables it to display its lush greenery amid the whiteness of fallen snow.

Such are the amazing qualities of nature — the millions of wonders in God's creation.

In order to understand more fully the God-given powers within *ourselves*, we must study the Holy Word and attend regularly the services of our church or synagogue. By doing this we will come to realize our potentialities and talents and will learn to live a fuller more useful life.

program started to $135,629 recovered in stolen property and 158 felony arrests made.

The county jail booked 582 prisoners last year. The largest number of prisoners were booked for driving under the influence of liquor: 103 arrested by sheriff deputies, 21 by Grayling City Police, 15 by Michigan State Police, and one by a DNR Conservation Officer. Forty nine persons were booked for disorderly person charges and 30 were charged with breaking and entering. Sex offenses increased to 19 in 1982 from 16 in 1981.

Revenues brought in by the sheriff dept. increased from $144,310 in 1981 to $183,708 in 1982.

COOR

(Continued from Page 1)

concensus at the meeting was if the state aid is stopped, cuts in the general education programs of local school districts or additional property taxes would have to make up the difference.

COOR provides special education and vocational training for about 1200 students in the Crawford-AuSable, Gerrish-Higgins, Mio, Fairview, Houghton Lake, and West Branch school districts.

In 1981-82, the local school districts had to pay COOR $457,000 for special education costs above $600,000 COOR received through its special education millage.

Flour Uses

Cake flour is soft wheat flour, and all-purpose flour is made from hard wheat. Cake flour is used specifically for making light cakes, such as angel and sponge cake. All-purpose is used for other cooking. They are not interchangeable.

Facts of Law

by
Alton T. Davis, PC
Attorneys & Counsellors at Law

The Supreme Court of South Carolina has abolished the doctrine of charitable immunity. The court's decision means that a charitable institution is subject to liability for its tortious conduct, the same as any other person or corporation.

"Revenge is a kind of wild justice, which the more man's nature runs to, the more ought law to weed it out."
—Francis Bacon

Don't laugh in Helena, Montana. A law there prohibits unrestrained giggling.

★ ★ ★

Anyone who keeps exotic pets (such as lions, monkeys, snakes, etc.) is strictly liable for any harm they cause, no matter how careful one is in taking care of them.
